Attached is the presentation by UCSC School of Environmental and Nuclear Policy at the Bayview Hunters Point Environmental Justice Response Task Force meeting in April.

Dear Mr. Bradley/Mr. Hirsch,

I requested the UCSC presentation given at the April 21, 2016 Greenaction meeting, but have not received it. Please send me a copy.

Without a copy of this presentation, it is very difficult/impossible to respond to the allegations presented by UCSC to Greenaction and the community. I assume that everyone wants an informed discussion, which is also not possible without this information.

I recommend discontinuing further discussion of this topic until the presentation has been sent.
